February 2024

Dear Prospective Vendor,

The second Harwinton Lions Club Annual Horse Show will be held on Sunday, April 21, 2024, at the Halcyon Show Stables. This event is one of several key fundraisers to benefit Lions Clubs charities which include:

- Eye screening and research
- Scholarships
- Community needs (e.g. local food pantries, local organizations & activities)
- Regional School District #10 activities including Project Graduation

By becoming a vendor, you have the opportunity to align your business with a highly anticipated community event while making a meaningful impact. As a vendor, you'll not only gain exposure to a diverse audience of equestrians, horse enthusiasts, and local supporters but also demonstrate your commitment to supporting local charities and organizations.

We offer a range of vendor spaces designed to accommodate different budgets and needs. All spaces are outside and vendors provide their own supplies (e.g. tent, tent anchors, tables, chairs). Please see the form for the sizes available and indicate if you need electricity. Help us continue our 63-year commitment to the community. Together, let's create a partnership that leaves a lasting impact!
